

## Volunteer Opportunities

As part of the Summer Reading Program, students entering grades 6–12 can earn 11-15 community service hours by volunteering at the Library. Our Summer VolunTeen Program runs June 25–August 3. Volunteers assist with programs, handing out prizes and keeping the Library tidy.

Please fill out an application and apply to be a part of our Summer VolunTeen Program! Applications are available online or at the Library and will be accepted during the month of May. The Library will contact all applicants to let them know their status.

All accepted VolunTeens will be required to attend a training session on either Monday, June 11th 6:30 PM–7:30 PM or Thursday, June 14th 4:00 PM–5:00 PM.

## Summer Reading Challenge

### Read with us

The Town of Ballston Community Library and Burnt Hills-Ballston Lake Central Schools are participating in “Libraries Rock!” as part of the 2018 Summer Reading at New York Libraries Program. Studies show that reading at least 20 minutes per day during the summer helps with school success all year! All participants are invited to log their time spent reading this summer.

### How to log

Starting June 1, participants may enroll in our Summer Reading Program by visiting <https://toblibrary.beanstack.org> or in person at the Library. If you need help registering or have any questions, we are happy to assist you. To participate in events, you must be enrolled in the Summer Reading Program. Reading logs start on June 22!

### Earn prizes

Earn prizes by logging time spent reading and completing challenges that appear on our online logging system. The Library will be giving away books, gift certificates and raffle prizes this summer. The Summer Reading Challenge begins on June 22 and you may begin collecting prizes on June 25. The Reading Challenge continues until September 3 however the last day for prizes is August 10. After September 3, the BH-BL School Librarians will receive the reading results for BH-BL Students.
