2012 Annual Report

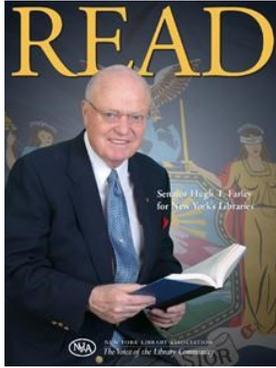

Mission Statement: The Town of Ballston Community Library shall develop and maintain facilities, resources, and services to meet the ongoing needs of all persons for education, personal enrichment and recreation.

In 2012, the library partnered with the community to create a vision for 2013-2016. We conducted a series of discussions with a wide range of stakeholders including patrons of all ages, library staff, trustees, friends, members of the Burnt Hills-Ballston Lake Business and Professional Association, and school and local officials. From these discussions we are confident we have charted a course that will ensure the library will continue to be a cornerstone of growing importance in the community -- now and into the future.

Connect with the library

Volunteerism is alive and well at our library. Community members plant flowers, run book sales, help with programs, march in parades and keep the shelves looking nice. They enrich our community and their lives through this work. The library received over \$11,000 in grants and gifts from local residents, businesses, the Friends of the Library, and supporters, including Fred Baum, The Ballston Spa National Bank, and Senator Hugh Farley. Please check out the list of library supporters on our website at <http://tobllibrary.sals.edu>.

Senator Farley arranged for the library to receive \$7500 in 2012

You made Library Mini Golf, the Flag Day Parade, the Spring Fling Raffle, the Teen Overnight, and the School Art Reception all possible and we thank you!
