

TOWN OF BALLSTON COMMUNITY LIBRARY

COMMITTED AND CONNECTED

2018 Annual Report to the Public

In 2018, the library added improvements including a new art display system in the Community Room and adjacent hallway and a drive-up outdoor book return. Elementary school students love visiting the library for story time, tours, and using their new library cards!

A Note from Steve Zarelli, President of the Library Board of Trustees:

I have been writing these annual updates for several years, and it seems every year it will be tough to top the last. Yet, here we are again with another year of spectacular achievements.

Our priority is to serve the ever-evolving needs of the community while being mindful of costs. Here are some key highlights from the past year:

- Creative and diverse program offerings were a tremendous success: 531 program sessions with 9,960 attendees!
- Increasing usage of the library: 22% increase in circulation of electronic material (i.e., e-book and e-audio checkouts); 5% increase in registered borrowers.
- A record-shattering Summer Reading program: 200% increase in adults registered; 54% overall increase in total people registered.
- We installed a drive-up book return that allows patrons to conveniently return materials 24/7. In large part, this was funded by a Southern Adirondack Library System (SALS) Construction Challenge grant.
- We upgraded Internet bandwidth resulting in vastly increased upload (+567%) and download (+400%) speeds for library users.
- With a NY State & Municipal Facilities Capital Program (SAM) grant secured by Senator Hugh T. Farley in 2016, we made critical roof improvements and installed upgraded heating units that will help ensure the top-notch condition of the facility for many years to come.
- Thanks to State Senator Jim Tedisco and Assemblywoman Mary Beth Walsh, the library received a total of \$17,000 in “bullet aid” in 2018 to be used for upcoming improvements.

While we are passionate about our library and the array of services we provide, we know we can always do better. We encourage and look forward to your feedback and ideas – this is the best way we can continue to keep the Town of Ballston Community Library a gleaming “gem” of our community.

As always, we thank you for your continued support.
