

# Preschool Summer Reading

For Babies, Toddlers & Preschoolers

## Summer Reading Challenge

### Read With Us

The Town of Ballston Community Library and the Burnt Hills-Ballston Lake Central Schools are participating in "A Universe of Stories" as part of the 2019 Summer Reading at New York Libraries Program. Our youngest participants are encouraged to log the time spent listening to audiobooks or being read to. Reading to young children improves language skills by imitating sounds, recognizing pictures, and learning words.

### How to Log Reading & Earn Prizes

Starting June 3, participants may enroll in our Summer Reading Program by visiting <https://toblibrary.beanstack.org> or in person at the Library. You may earn prizes by logging time spent reading and completing challenges that appear on our online logging system. The Library will be giving away books, gift certificates, and raffle prizes this summer. The Summer Reading Challenge begins on June 21 and continues until September 3. Prizes can be redeemed from June 24–August 14 at the Town of Ballston Community Library.

### Attend Programs

The library offers free programs and events for participants of all ages. Many programs require registration and may have age or space limits. Program sign up begins June 17 online at <http://tbcl.evanced.info/signup/calendar>. To participate in events, you must be enrolled in the Summer Reading Program.
