Welcome to Beanstack!

How to redeem your raffle tickets.

Step 1: After you log a certain number of minutes, or you complete an activity, a separate window will pop up on your screen, telling you that you have won a prize! If you won a raffle ticket, at the bottom of the window, you will see “Enter a Drawing.” Selecting this button will bring you to the Ticket Drawing page. Scroll down the page to see all of the prizes. Select “Add/Subtract Tickets” to add your earned raffle tickets to the raffles you would like to enter. You can change your mind, and add or subtract at any time during our summer reading program (June 22, 2020 - August 13, 2020).

Step 2: Keep reading and completing activities to earn more raffle tickets, and repeat Step 1. The last day to log minutes to earn prizes is August 13th, 2020. But keep reading and logging for your school through September 7th!

NOTE: If you would like to enter your tickets into the virtual drawing at a later time during the program dates (June 22-August 13, 2020), log into your account, and select the “Ticket Drawings” tab. This will bring you to the virtual raffle prize page, and you can allocate any of your tickets there.

A Note to Patrons:

At this time, we are still determining the best way to distribute the earned gift certificates and free books. We will post more information on our website as soon as these decisions are made. Winners will also be contacted by email. Thank you for your patience as we work to ensure the safety of our patrons and staff.
